Young Men's Clothes With The Right Air of Distinction

Y OU get from the illustration some idea of the smart new models which you young men will find this Spring, ready, at this home of

Hart Schaffner & Marx. Rogers Peet & "Fitform" Clothes

Most young men of the present day realize the importance of being well dressed; and they've learned that for \$25 they can buy, ready, as good clothes as father wears who is oldfashioned enough to

pay his tailor \$50 or \$60-or more. We have them as low as \$18.

The fact is you're all coming to this readyclothes idea sooner or later; it's just as natural a development as buying ready shoes or hats; more so-clothes are more important.

You'll get the best style the best quality of materials, the best tailoring, and a good fit, in ready clothes.

The Boy's First Long Pants Suit

WE make a specialty of outfitting the boy with his first long pants suit. We sell the celebrated "High School" Brand. Materials and trimmings especially selected for hard wear. All cut and made along college styles. Priced at \$10.50 up.

Broken Lines of Men's 85c \$1.00 and \$1.25 Shirts.

tion of A. T. Scoggin to succeed himself.

The Adams orchard of over 500 trees is planted and rendy for water from the new pumping plant.

Renick Livesty is down from La Mesa helping his father, who is manager of the Valley Mercantile and Lamber company.

R. E. Adams, who is manager of the Dorenberg Mercantile company, at Wagon Mound, Colo., a point on the file Grande watershed, writes that there is a great deal of snow there and at other points in the yieldity. The government builtein powted in the postofice here shows the same condition all over the watershed and the reporters predict plenty of water for irrigation this season, which has begun to filew and will reach here in a few days. The number of students in J. L. The reaches the post of sudents in J. L. The school in this district will close Annil 25, at which time the teachers will agers and Mr. Foresyth, The summer vacation.

Dr. and Mrs. Bowden, Mr. and Mrs. Me Kamy, Mr. and Mrs. Wingate, Mr. Jef J. S. McCarty, the contractor who built the Brandt residence, is back from California to stay.

IN RIVER AT LA MESA

La Mesa, N. M., April 9.—This section is receiving its share of spring winds, but the weather has been delightful Light showers have fallen in the val-

ley.

The river has been dry for some days, but water is again running and irrigation can proceed. Crops are looking fine. On some farms alfalfa is atx inches high. Little damage has been done to the fruit and the orchards look very promising.

Considerable building is going on in La Mesa and property is flecidedly soaring.

La Mesa and property is decidedly soating.

The construction of the west side
good road from Mesquit over the
bridge to La Union, under the supervision of engineer Meryweather, has
commenced.

The school election here was without
much excitement, though there were
prospects at one time of some excitement, when it was learned that the
women were to put up a Citizens' ticket. The redring board was reelected.

Mrs. J. H. Livesay is visiting at Anthony.

Sexton and Fleming Jones, Mrs. Clingo, a mass meeting is called for tonight to protest against the tax levied upon guest.

The house was decorated with tulips and presented a pleasing appearance. The next meeting of the club will be held at the home of Mrs. Cleiand in North Las Cruces.

A mass meeting is called for tonight to protest against the tax levied upon water users by the ditch commission.

Mr. and Mrs. U. S. Stuart, of El Paso, were up visiting B. J. Viljoen.
